

Student Achievement Most Improved

We would like to recognize Nevaeh for her scholastic achievement in her quarterly interims. She not only improved her grades by several letters but also achieved A/B honor roll! Nevaeh also serves a youth mentor by assisting younger students with their reading and homework. Nevaeh has worked very hard to improve her grades and we are very proud of her progress. Nevaeh is a 7th grade student and attends Ligon Middle School. She aspires to become a surgeon when she graduates from college.

JOB WELL DONE NEVAEH!
